

Lyme Disease Symptoms Checklist

Do You Have Lyme Disease?

Lyme Disease Symptoms Checklist

Many people with Lyme disease are misdiagnosed. This checklist helps you document exposure to Lyme disease and common symptoms for your healthcare provider. This tool is NOT a self-diagnosis tool. A proper diagnosis can only be made by a physician. Select the Lyme disease symptoms and conditions that apply for you or your child. You will receive an email with a pdf attached that you can print out and take with you to your next doctor's appointment. Share you checklist responses with your physician to determine if you or your child have Lyme disease.
