

The Lyme Wars—Investigating a Public Health Crisis (NBC New York)

NBC New York aired a five-part series about Lyme disease this past week, interviewing patients, doctors and research scientists.

It's significant not only for its content, but for the fact that it aired in the largest television market in the US.

Watch now:

[Part I—Julia's Story: Teen's Health Affected in Fight Over Chronic Lyme](#) Oct. 23

[Part II – 'I See a Future for Myself:' Kyra Overcomes Chronic Lyme Diagnosis](#) Oct. 24

[Part III – How Scientists Are Working to Understand Lyme Disease](#) Oct. 25

[Part IV – Invasive Plant Could Be Contributing to Tri-State Diagnoses](#) Oct. 26

[Part V—Lyme Wars Part V: Doctors Sound the Alarm](#) Oct. 27
